AAON
Air handlers, fan coils, water-source heat pumps Air handling units, air-cooled andevaporative-cooled rooftops, coldclimate air-source and water-source heat pumps, split systems, digital controls

AboveAir TECHNOLOGIES
Mission critical cooling equipment
Vertical, wall and ceiling mounted
Floor consoles
Dry coolers
Pump packages

AIRENTERPRISES Quality...not compromises
Custom all aluminum site AHUs
Factory built air handling units

ClimateCraft
Custom air handling solutions
Build-on-site replacement units

condair formerly Nortec Humidity
Humidification and evaporative cooling solutions

DEKORON®
Self-regulating heat trace cable
For freeze protection & process temp maintenance
Pre-insulated and heat-traced tubing bundles

Dynamic Air Quality Solutions
High efficiency electronic air cleaners

ENVIRO-TEC
VAV terminal units
Fan coils
Air handling units

Flow Environmental Systems Inc
CO2 Electric Heat Pumps
Wide Ambient operating range
Produces from 38F to 180F water

FRIEDRICH
PTACs, VTACs, and VRP heat pumps
Window, through-wall, & portable ACs
Ductless mini-splits & universal heat pumps
Ducted residential equipment

ABB
Variable frequency drives
Active front end drives
Harmonic solutions
Motors

AdaptivAir
Semi-Custom AHU
Fan Array/AHU Retrofits
Knock-Down Construction

Blender Products Inc.
Engineered air mixing
For outdoor and return air for AHU

CLIMACOOL A NIBE GROUP MEMBER
Water-Cooled Modular Chillers
Air-Cooled Modular Chillers

CLIMATEMASTER
Vertical Stack Hi-Rise Heat Pumps
Hi-Efficiency Horizontal Heat Pumps
Hi-Efficiency Floor Mounted Heat Pumps
Console Heat Pumps
Modular Water-To-Water Chillers

DADANCO feel the difference
Active chilled beams, induction diffusers, induction unit retrofits

DRYSOLUTIONS
Total environmental desiccant dehumidification solutions

DB DUNHAM-BUSH
Air Cooled & Water Cooled Chillers
Semi-Custom Air Handling Units
CRACs
Heat Pumps

EngA
Heat transfer products including radiant panels, Unit ventilators, Cabinet heaters, Finned tube radiation and multizone units

innova
Energy-Efficient Ductless Heat Pumps

FRASER-JOHNSTON Heating • Air Conditioning
Packaged Rooftop Units
Commercial Split Systems
Replacement units for major brands
Residential systems
Controls

IEC International Environmental

Hydronic and electric fan coils (horizontal/Vertical/Vertical stack, blower coil)
ReStoraMOD retrofit unit and EnviroKIT component-replacement kits

Markel Products Company

Electric duct, unit, cabinet unit heaters
Fan-forced wall heaters
Electric Baseboards
Ceiling panels
Hazardous-location & washdown heaters
Industrial/commercial fans

LG

Variable refrigerant flow (VRF) systems
Energy recovery ventilators
Dedicated outdoor air & indoor units
Controls
Air-to-water heat pumps, chillers

MOJAVE

ArctiDry—liquid desiccant air conditioning RTU for high ventilation and low dewpoint

Measured Air PERFORMANCE

SmartStackTM
Active airflow measurement and control
For laboratory exhaust systems

NORTEK AIR SOLUTIONS

The largest family of custom air handling units in North America: Ventrol, Temtrol, Mammoth, Venmar, Huntair

Multiaqua

Hi-wall ductless units
1-way/4-way ceiling cassettes
Ceiling concealed units & chilled-water air handlers (2- and 4-pipe)
Air-cooled hydronic & heat pump chillers

PoolPak

Dehumidification, heating, cooling, & ventilation systems for indoor pools

Phoenix Controls

Precision airflow control for fume hoods
Lab & critical healthcare environments

RUPPAIR HEATING · COOLING · VENTILATION

Dedicated outdoor air units, makeup air units, exhaust fans

PCI PARAGON CONTROLS INCORPORATED

Airflow and pressure measurement and control for ducts, fans, outdoor air intakes

TCF TWIN CITY FAN

Commercial and industrial Fans
Standard and semi-custom available

STROBIC AIR TECHNOLOGIES

Advanced exhaust for Lab fume hoods
Energy recovery systems

TUTCO HEATING SOLUTIONS GROUP

Electric duct heaters
Open-coil heaters for OEM applications
Duct heater accessories (contactors, transformers, controllers, fusing)

THERMOWHEEL THE ENERGY RECOVERY LEADER

High efficiency energy recovery wheels for commercial and industrial applications - Standard and semi-custom available

VIBRO-ACOUSTICS®

Engineered noise mitigation products
For ducts, panels, enclosures, mechanical vibration solutions

UVR UV RESOURCES

Ultraviolet (UV) products
For all HVAC applications

ZAMBA

Environmental Wall System
Complete packaged, decentralized heating, cooling, and ventilation
